The story of the game Zeboyd is developing a Fantasy Action RPG game for the PlayStation 4 (PS4) titled "Elden Ring Activation Code." The game is set in the "Lands Between", a vast game world full of adventure that was destroyed by a war and emerged into the aftermath. The game takes place in this world in a distant future. In this world, players take on the role of a new character called the Lord who wields the power of the Elden Ring. Together with the power of the Elden Ring, the player will engage in the "Harmony" and manifest the power of "Grace", and fight on the battlefield. # Previous Related Works Previously, Zeboyd developed the RPG game "The Elden Ring: Ashfolk" on the PS Vita (Vita). The story of Ashfolk, which takes place in the same "Lands Between" universe, is as follows. From the "Darkness Falls", a "Mere" (a man who wanders the forest on horseback) appears. This Mere introduces himself as a former bandit who abandoned the "Golden Axe" (a magic weapon) and led his men to ruin. The Mere's past is unknown, however, he is an opponent that can not be defeated by "Ashfolk" (bandits using a unique attack technique). The Mere says he will leave the "Mereway" (the forest where bandits live) and resolve Ashfolk's past. However, something unexpected occurs when the Mere learns about Ashfolk. As the conflict between Ashfolk and the bandits intensifies, the past of the Mere that traveled along with Ashfolk has vanished. In the "Darkness Falls", a curse will fall upon the lands, and the "Lands Between" disappears! The world where the Lord of Ashfolk and Mere are together in the "Afterlife" will be created. Players are able to play as the Lord and Mere. Returning from the "Afterlife", both entities will return to the "Mereway", and fulfill their desires. # Cast (Number of Characters)

HAPPY HACKER ~BONUS FEATURE~ DASH! Buckle your seatbelt! The settings are dynamic so you won't know what the next BOSS might be. Every time you win, you receive a bonus EXP. Get to the top, fellow Tarnished. ~GAME DESCRIPTION~ Tarnished World, a fantasy action RPG, is a new fantasy action RPG created by HYPER. Ever imagined finding a way to traverse a dangerous path, quickly and deftly? Tarnished World lets you become a Tarnished, meaning a person living in the Lands Between. The Tarnished is an individual who receives supernatural abilities known as Tarnish, and is capable of interacting with another person in a different dimension. Basically, you will have to cope with BOSSES with unique abilities such as "Rampage" or "Mimic", fight through dungeons, solve mysteries, and have fun in a fantasy world with various situations and characters. THE KEY FEATURE OF this game is that while playing you can freely change your equipment and can also freely change your class. This creates a feeling of customization, and with a high sense of achievement you can create your own play style. By destroying BOSSES, you will obtain EXP, EXP Extraction, and a Gil, all of which you can use to buy new items. The harder the BOSS, the better the items you get from them, so be careful of which BOSS you tackle. There are many folks who enjoy saving up. You will also receive a bonus EXP for saving a particular person, so keep an eye out! As you traverse the Lands Between, you will encounter events, and with the time and pace of these events changing, the story of Tarnished World will unfold. When you encounter a BOSS, you have the choice to fight them in real time or automatically. If you are defeated, you can choose from four kinds of situations. You can choose to activate a certain feature to recover. There are over 70 skill combinations to choose from, so you can freely explore and experience the game as you wish. You can also compete with other people, and win points by completing special quests and challenges. The points you receive can also be exchanged bff6bb2d33
