===== "Sea of Thieves is really
neat - it plays a lot like the original Xbox
title, Black Knight, although it's fun in a

different way. The combination of ship sailing, treasure hunting, and crafting makes for a great experience." "It plays more like a traditional RPG than an action game. The combat is handled through a turn-based system, which is a nice change from the action-heavy combat in most RPGs. The player is expected to switch weapons, spells, etc. for each fight so it's not like just spamming attacks or swinging your sword. The game encourages exploration and interaction with the inhabitants of the islands through the use of NPC ships. It's fun to explore and meet different people." "I've been playing this for several weeks now and it's so much fun. I hope more Xbox games take this kind of approach to game design, where you're forced to work as a team rather than solo." "The game is perfect for a pirate on the weekends." "I'm loving the game. It's simple, it's easy to pick up and it's fun to play, and that's really all you need in a game." "I think this game was a lot

of fun to play for a couple of hours. It's not an MMO though so that's where it ends

Defending lawyers challenge vague description... Prosecutors Defending lawyers challenge vague description of crimes in gang sentencing guidelines

Legislation aimed at curbing gang violence has been under consideration by the Florida Legislature for years. The “ban the box” bill is now on Gov. Rick Scott’s desk. But in the waning hours of the legislative session, state attorneys with the executive branch have offered their own revisions to the so-called “battered women’s offender sentencing guidelines.” A Times/Herald Tallahassee Bureau review of the proposed amendments says they would apply different sentencing benchmarks to defendants who commit certain crimes—especially if the crimes occur in connection with a gang. But the new language lacks a common definition of a

“gang” and includes no specific limits on the types of gangs that could be involved. The proposed amendments by Assistant Chief State Attorney Gregory Steube and Assistant Chief Assistant
