Balística Forense: Aspectos Tecnicos e Juridicos (9788576253327) by Domingos Tocchetto. [balistica forense domingos tocchetto pdf 14](#). Leave a Comment Coming Soon: "Star Wars: Darth Vader vs. Yoda" It's been about four years since the last direct crossover between the Star Wars and Marvel Cinematic Universe. But Joe Quesada and the rest of the Marvel Creative Assembly are bringing us the first "Star Wars"-Marvel crossover in many years with an upcoming comic book! As reported by The Hollywood Reporter, Marvel's Darth Vader will make a cameo in their upcoming "Star Wars" comic book arc, which will be written by "Avengers" creative team Greg Pak and Fred Van Lente. In the story, Luke Skywalker, Han Solo, Leia, and Chewbacca find themselves on a mission to a strange planet populated by lizard aliens. There, they will encounter the young Cassius X, a villain originally from the "Darth Vader" comics. "Star Wars: Darth Vader vs. Yoda" will be the second "Star Wars" story to be published by Marvel Comics, the first being "Star Wars" #100, published in November 2014. "Star Wars" #100 led to the release of "Star Wars: The Force Awakens," which spurred a major reboot of the franchise. It's no surprise that Marvel is trying to use that, and the next six "Star Wars" movies and the upcoming "Star Wars: The Last Jedi" film, to get a new generation of fans excited about their comics. So that's what Marvel is up to! We'll have to wait and see what kind of "Star Wars"-Marvel crossover we get. And obviously, we'll have to wait and see what kind of surprises "Star Wars: The Last Jedi" throws at us. But in the meantime, pre-order your copy of "Star Wars: Darth Vader vs. Yoda" today! About the author R.J. Weiss lives in Austin, TX and enjoys reading, writing, and talking about Star Wars.
